PRESENTED BY: JOEL STERN CHIEF EXECUTIVE OFFICER, NAMWOLF

Mr. Stern has been CEO of NAMWOLF since 2014 and has been actively associated with NAMWOLF since 2006 when he brought NAMWOLF and the NAMWOLF firms into Accenture. He has served as a board member and also as chair of the In-House Advisory Council. Mr. Stern spent more than 25 years as an in-house counsel for major companies including Allstate Insurance Company, Advantis (a Sears/IBM joint venture) and Accenture. At Accenture, where he served as Deputy General Counsel from 1996-2010, he acted as chief operating officer for the consulting giant's 420-member global law department. He also managed all of Accenture's outside counsel relationships as well as managing North and South America legal matters. In this role, he led the creation of a legal group diversity and inclusion program that is still considered "best in class." Mr. Stern was a member of Accenture's US Leadership Team and its global Operations Council, and also part of the firm's CEO Advisory Counsel. During his tenure, the Minority Corporate Counsel Association gave Accenture its "Employer of Choice" award and NAMWOLF awarded Accenture and Joel with diversity awards. Joel has presented this CLE to several Fortune 500 Companies across the U.S. as well as ACC local chapters.
